Subject: Re: HCI - connect

Hi Mitch,

I would be happy to meet you. I am also sensitive to the need to be discreet. I can respond to a text or a call.

I will be around all day on Wednesday and perhaps we could find a good spot to catch up?

My cell: (951) 694-2517

I look forward to meeting you.

Hi Jack,

I trust that you are doing well! I'll be in Denver this week for HCI and look forward to the opportunity to meet you in person.

I understand from Chad that you will have a packed house for your pre-conference session and reception....congrats!

If time and logistics allow, I'd enjoy the opportunity to connect with you in person. I do know how this will work given the quaintness of the conference and quite a few IBM team members in attendance as well. Either way, I have your contact information so we can stay in touch during and after the conference.

All the best,

Mitch
